The Brownstone Experience is a collegiate and young adult leadership center that offers young men and women worldwide an opportunity to strengthen and own their Jewish identity, foster community development and deepen their connection to Israel.

This new hub, home to year round dynamic and engaging immersion learning programs, is a six story stand alone building located in the heart of NYC's East Village. Segmented by floor and function, it features tastefully appointed meeting rooms, classrooms, a spacious auditorium, library, sleeping accommodations, offices, lounge, dining hall, kitchen, garden and a rooftop terrace.
